

# HEAD STUDENT TEAM 2009–2010

Amrit Matharu

Being clever at school is not the same as being a geek. If you can't be proud of your work you need to ask yourself why? Sixth form isn't about what other people think of you but what you want out of it.

Amy Pates

I am studying Health & Social Care, English Language, Biology and Sociology at A2. I am hoping to go to University next year.

Tara Smith

Hi, I'm Tara and I am studying my A2 levels in Biology, Chemistry and English Language. I work in an Ice Cream Van. Good Times!

Gareth Smith

Hello, I am Gareth and I am studying Maths, Psychology, Chemistry, Physics and Biology at A2 level.

Phillipa Bentham

I am studying Psychology, History, English Literature and Geography. I think self-motivation is the key to success. I am friendly and happy to represent the students' views to make Post 16 even more successful.

Chantelle Butler

I am studying BTEC Performing Arts AS and English. I believe that if you want to achieve a goal, time and effort needs to be put in to make it happen.

Gareth Jones

Ciao—My name is Gareth Jones, 'GAZ' to most. I am studying Drama, English Language and Film Studies. I am a realist. Just cut to the chase it's easier that way. Cool Beans!
